**FAIR CREDIT BILLING SHORT FORM – STATEMENT OF RIGHTS
 In Case of Errors or Inquiries About Your Statement of Loan Account**

Send your inquiry in writing so that the credit union receives it within 60 days after the open-end loan statement was mailed or otherwise delivered to you. Your written inquiry must include:

1. Your name and account number,
2. A description of the error and why (to the extent you can explain) you believe it is an error, and
3. The dollar amount of the suspected error.

You remain obligated to pay the amount on your statement not in dispute, but you do not have to pay any amount in dispute during the time the credit union is resolving the dispute. During that same time the credit union may not take any action to collect disputed amounts or report disputed amounts as delinquent.

This is a summary of your rights, a full statement of your rights and the credit union's responsibilities under the Federal Fair Credit Billing Act will be sent to you both upon request and in response to a billing (statement) error notice.

(Required Information to Comply with Regulation E – Electronic Funds Transfer Act)
In Case of Errors or Questions About your Electronic Funds Transfers

Telephone us or write us at our number or address shown at the top of this form as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer on the statement or receipt. We must hear from you no later than 60 days after we sent you the FIRST statement on which the error or problem appeared.

1. Tell us your name and account number (if any).
2. Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe there is an error or why you need more information.
3. Tell us the dollar amount of the suspected error.

We will investigate your complaint and will correct any error promptly. If we take more than 10* business days to do this, we will credit your account for the amount you think is in error so that you will have use of the money during the time it takes us to complete our investigation.

* If the error you assert is an unauthorized VISA transaction, other than a cash disbursement at an ATM, we will credit your account within 5 business days unless we determine that the circumstances or your account history warrant a delay, in which case you will receive credit within 10 business days. If you give notice of an error within 30 days after you make the first deposit to your account, we will have 20 business days instead of 10 business days to credit your account.

Important Information Regarding the Computation of your Loan Balance and Finance Charges

The balance on which the finance charge is computed is the actual unpaid loan balance each day after credits are subtracted and new advances or other charges are added.

The finance charge is computed when you make a payment. For each day since you last payment, the unpaid balance in your account is multiplied by the corresponding daily periodic rate. The sum of these charges is the finance charge you owe on the account.
